

# GO DIGITAL WITH SBLI: YOUR END-TO-END DIGITAL SOLUTION FOR TERM & WHOLE LIFE

*SBLI offers a unique end-to-end digital process that guarantees a no in-person contact, no fluids and no exam underwriting process, no matter what!<sup>1</sup>*

## NO FACE-TO-FACE CONTACT NECESSARY!

To help you communicate our unique set of tools to grow and sustain your business, we offer this step-by-step guide to our process:

### NO FLUIDS, NO EXAM, ACCELERATED UNDERWRITING WITH A GUARANTEED TELE-MED INTERVIEW

Our unique Accelerated Underwriting process guarantees no face-to-face contact for all clients, ages 18-60 seeking \$500,000 or less of life insurance for all risk classes. We guarantee that no one will be redirected to our traditional underwriting process. Please note eligible risks have been changed temporarily due to the COVID-19 pandemic; applications with a Table 7 or higher rating for ages up to 59, or a Table 3 or higher rating for ages 60 or older, are temporarily postponed.

#### DROP THE TICKET

- **Drop ticket overview** – simply select product, risk class, and age and generate a quote. Get business done (and get paid) faster. [Click here](#) to find out more about the benefits of our drop ticket process.

**1**

- Drop a ticket through iPipeline iGO<sup>®</sup> or ApplicInt and then the Fulfillment Center takes over.
- **Getting Started** – [click here](#) for details on how to register and get set up with ApplicInt. If you use iPipeline, please check that SBLI is one of your selected carriers so a quote will be returned and a drop ticket option will be available.

## TELE-MED INTERVIEW

### Fulfillment Center Support

- The interviewer will contact your client and complete Part 1 and Part 2 by phone. The interview takes between 25-30 minutes for a prepared client. The client has the option to voice-sign or DocuSign<sup>®</sup> the application.

### Tele-Med Interview Preparation

- Preparation is key to ensuring the process goes faster and more smoothly.
- The client should be prepared to discuss medical history; symptoms and conditions; doctor, hospital and medical facility visits; medications taken; employment and income; tobacco and alcohol use; hobbies/avocations; and beneficiaries.
- [Click here](#) to share our Preparing for your Accelerated Underwriting Call guidelines to help your client prepare for the call.

### Archived Records

- Following the conclusion of the call, the application will be submitted electronically to SBLI. In addition, copies of the completed form will be available on the vendor website for your records.

## E-SIGN APPLICATION

### Tele-Med Interview Signature: Voice-Sign or DocuSign<sup>®</sup>

- At the end of the tele-med interview, a signature will be requested to confirm agreement on the answers provided, authorize access to your client's personal data, and confirm e-delivery of the policy.
- The client has the option to voice-sign or DocuSign<sup>®</sup> the application.

## UNDERWRITING REVIEW & DECISION

- Underwriting will evaluate the completed application instantaneously with electronic data such as prescription history, MIB, MVR, and FCRA public information.
- The application will follow one of two paths:
  - Immediate approval that proceeds to issue; or
